

## Erratum

Due to the extension of the national lockdown that was announced by the President of South Africa, Mr Cyril Ramaphosa, the closing date for the following tenders, which were closing on the 30 April 2020, have been extended.

Furthermore, should the lockdown be extended beyond the end of April 2020, the closing date will automatically be extended by a further five (05) working days, then the tenders would close on the 6<sup>th</sup> working day at 11H00. To avoid any confusion the exact closing day will be advertised on the Metrobus website.
